GFWC Community Service Programs

Five core Program Committees are the vehicles for organizing our volunteer efforts. Each committee develops relationships with various organizations and agencies in the community. Serving on a Committee is a great way to share your passion and expertise while also building friendships.

Education & Libraries

GFWC promotes education in both children and adults. We aim to help others, while we also continue to learn. Projects in the Education and Libraries CSP are designed to foster schools, as well as other educational institutions and opportunities, and to promote literacy, libraries, and the love of a good book.
